## SERVICES

You work with an in-house eCTD-system and Exalon supports...

- ▶ On-site compilation
- ▶ Document processing
- ▶ Report publishing
- ▶ Selective outsourcing for single projects and baseline eCTDs

*"Exalon complements your in-house resources and helps to manage submission peaks."*

## OUTSOURCING

You let Exalon run your eCTDs and benefit from...

- ▶ Saving the time and costs for system implementation and maintenance
- ▶ Starting with eCTD instantly
- ▶ Focusing on your core business
- ▶ Fast reaction times
- ▶ Flexibility and cost transparency
- ▶ Best practise experience

*"With Exalon you run your eCTD fast, secure and cost efficient."*

## CONSULTING

You search for independent eCTD expertise...

- ▶ Definition of global eCTD strategy
- ▶ Assessment of eCTD processes
- ▶ Implementation of eCTD solutions
- ▶ Training and workshops

*"Benefit of Exalon's experience with various eCTD implementations."*
